Dear Parents,

I would like to take this time to invite your Daughter to this year's 2010 Bellbrook Girls Basketball Camp. This year we will once again offer the all day Camp format in an attempt to continue the excellent tradition of Bellbrook Girls Basketball. We will use both Middle School gyms along with the use of the Auditorium and concession stands. Camp will run all 4 days from 9:00am – 3:00pm (24 hrs.)

Camp features will include:

- Many coaches working with campers
- Daily skill building stations with coaches
- More awards
- Nicholas Studios will be taking pictures that can be purchased from his web site.
- Concessions will be open every day for lunch
- Parents can also purchase a food bank card at registration. This allows you to purchase a certain amount from the concession stand so that the campers do not have to handle money every day.

I hope you will consider allowing your Daughter to be one of our Campers this year. As we move our program forward it will always be my goal to make basketball fun and exciting. Summer Camp should be a time of fun and games, and a time to learn to play the game of basketball with enjoyment. That will always be our goal for summer camp. I also want to teach every Camper to develop the skills necessary to become confident in their skills on their way to becoming a quality basketball player. We have many fun and exciting things planned for our younger campers to keep their interest and develop their skills. We plan to incorporate a little bit more competitive atmosphere with our older campers and challenge them to stretch their games and skills to a higher level.

I hope to see all of you on Monday, June 7th.

Sincerely,
Coach Jason Tincher
Head Basketball Coach
